Information Release

2021 ICU Worlds Representation

In recognition of the hard work and commitment shown by athletes due to represent Wales at ICU worlds in 2020, SportCheer Wales will be re-setting the year for the 2021 ICU world championships.

We would like to congratulate Gymfinity Ladies of the Crown and Gymfinity Sovereign Supreme, who will be representing Wales in Senior All Girl Elite and junior All Girl Advanced respectively. We look forward to you having the opportunity that was taken from you during this pandemic.

As eligible bid winners, SCW has also invited RSD Legends and RSD Leading Ladies to represent Wales in Senior Co-Ed Elite, Team Freestyle Pom and Team Jazz.

As in all non-unified years, applications are now being taken from teams interested in providing representation alongside these teams.

Any teams interested in providing representation should email info@SCWales.org by August 31st to register interest. Decisions will be made by video submission following this initial process.
